Dear Valued Business Owner,

Another year is in full swing at Gateway Regional High School and believe it or not, students are already working hard on the 2018 Gateway yearbook. Each year we reach out to the community for support. This support helps us offer lower yearbook prices to our students and is also a great opportunity for you to advertise your business in a full color book that reaches over 100 homes. Without your support, the production of our school yearbook would not be possible! Since so many of our staff and students live, work and spend time in your community, we would love to have your business advertisement featured in the yearbook.

This year we are offering 2 methods for purchasing your business advertisement.
The 2 methods are outlined below:

Mail Order

Enclosed, you will find a sheet listing the options and prices of yearbook ads. Please complete and return this order form to the high school to reserve your space in the book. Also, include your ad or business card so the yearbook staff to create your custom advertisement. If you do not have an ad design, the yearbook staff is willing to work with you to design something special. Ad purchases and supporting information should be sent to the school no later than February 16, 2018.

Online

Also, attached is a paper outlining our newer method of submitting your business ad electronically. This allows you to upload your photos and/or business card directly to the Josten's website from your own computer. You can also work within the Jostens website to create a custom ad from their pre-designed layouts. Payment can also be submitted through the website. The deadline for these ads is also February 16, 2018.

If you have any questions please email Mrs. Wing, advisor to the yearbook committee at awing@grsd.org.

We look forward to seeing your advertisements in the 2018 Gateway yearbook!

Enthusiastically,

The Yearbook Staff

****ADS ARE DUE BY FEBRUARY 16, 2018****
